

“No Child is Left Behind”

April 11, 2018

Principal’s Message

Dear Parents,

It is unbelievable how time is flying! Our students are growing and maturing daily.

The third quarter ended and we are now in the last quarter of the school year. Report cards should be picked up with Ms. Josephine this Friday, April 13th. Some parents who might have some concerns will need to set up a time to meet with your child’s teacher. You will be contacted.

The students at LIS are all preparing for a Science and Language Arts Fair which are coming up and more details will follow.

On Friday, March 23RD, we had our first in house assembly coordinated by Ms. Emma and the 5th-6th grade class. Students from the various classes recited and sang songs that they have been learning. We had a good time and plan to have more of these types of assemblies. This is a good way for all of the classes to get together and share.

The trip to the National Museum on the 28th, was a big success. The students had a wonderful time! Pictures were shared with you via our WhatsApp platform.

On Friday, the 29th, at the end of the school day, the students had an

Easter egg hunt which was also a fun time for all.

Our LIS teachers have also been very busy presenting different types of instructional strategies to assist with student learning in our Wednesday Staff meetings. Educators are life-long learners; learning is ongoing for us.

Please be reminded that the first part of the tuition fees for the new academic school year 2018-19 needs to be paid by May 2nd. Please see Ms. Josephine. We need to start ordering books and other school materials for next year. Those of you who will be leaving LIS at the end of the year, please inform us so that we can prepare the necessary documents.

In the next few newsletters, I will be sharing Ways to Build Your Child’s Confidence : *“As a parent or caregiver, you play the greatest role in nurturing your child’s self-image. Influences such as the child’s academic and athletic ability, teachers, or peers affect how your child may feel about him or herself. You can help your child feel more confident by doing and saying things that will strengthen their own feelings of self-worth.”*

“Each day comes bearing its own gifts. Untie the ribbons.”

Sincerely,

Gloria Freeman-Fromayan
LIS Principal

Mustard Seed

Trust God to transform the smallest faith into a mighty kingdom

Dedicated Educators

Inspire hope, ignite imagination, & instill a love of learning

One on One

Our educators treat every student as a priority

No Child is Left Behind

Dear parents and guardians,

Welcome to all new and returning students, parents and teachers. We are a learning community, passionate about providing an international Education. Which inspires and encourages learning and intercultural understanding.

We have taken all suggestions and criticisms into consideration and to this accord, we are creating an environment that facilitates self discovery and the development of unique interests, gifts and talents, whilst promoting Christian service as a force for good in the world.
