

“No Child is Left Behind”

December 19, 2017

Principal’s Message

Dear Parents,

Thank you very much to those of you who participated in the parent/teacher conferences in November.

At Luke International School (LIS), we always welcome the opportunity to meet with you and share your child’s progress with you. Parental involvement in the education of your child will really make a difference!

LIS had its very first Christmas program on Friday, the 15th. The students did a great job! We also thank our music teacher, Mr. Kouame for his dedication. The students spent a lot of time rehearsing for this program. We take this opportunity to thank all of you who took the time to come to the program. Christmas

is a special time of the year and the main theme is on giving and sharing. Letters were sent home on the 14th and the idea of Secret Santa was described. Please make sure that your child has a gift to give to his/her classmate. We will have the gift exchange on the last day of school before we close for Christmas.

As we prepare to celebrate the birth of our Lord Jesus, I hope that the joy and peace of this special Holy season be with you and your families.

God’s blessings for the New Year 2018!

School reopens on Monday, January 8th, 2018. I like to end my newsletters with a quote : Isaiah 9:6 - For a child will be born to us, a son will be given to us; and the government

will rest on His shoulders; and His name will be called Wonderful Counselor, Mighty God, Eternal Father, Prince of Peace.

Sincerely,

Gloria Freeman-Fromayan
LIS Principal

No Child is Left Behind

We want parents, to see us as partners in the success of our students.

It will take all of our involvement in making sure our children reach their full potential

We are a learning community, passionate about providing an International Education, which inspires and encourages learning and intercultural understanding.

We facilitate self-discovery and the development of unique interests, gifts and talents, whilst promoting Christian service learning as a force for good in the world.

Student of the month

Donia Lubiba - 6th Grade
Excellent Academic performance

Mustard Seed

Trust God to transform the smallest faith into a mighty kingdom

Dedicated Educators

Motivated to transform faith into action

The city is not a concrete jungle, its a human zoo

Our 3rd and 4th graders took a field trip to the zoo and got an opportunity to better understand the different animals and concepts about animals they learn of in their classrooms.

They all had a wonderful learning experience and towards the end of the tour, they all got an opportunity to feed Khan (The Elephant).

School Calendar Dec 17-Jan 18
